Dear Ms. Pezza,

On behalf of the staff, the Board of Directors and the 1,100 dedicated volunteers here at People's Resource Center, (PRC), I want to thank you for your \$894.00 donation on 12/23/2010. Your simple act of generosity represents a true gift of hope for the families we serve.

For the past 35 years, People's Resource Center has been here to help DuPage County residents get through tough times. Families struggling to make ends meet know they can count on us for essential help with basic needs of food, clothing, and emergency financial assistance. And every day at PRC, people are building brighter futures with our empowerment programs of computer training and access, literacy training, job search mentoring and art enrichment.

In my time here at PRC, I have been so inspired by all of the unique stories I have heard about how the PRC has impacted the lives of residents in need. You probably know that 60% of our funding comes from the gifts of concerned people like you. With such strong community support, we've been able to meet the growing need. Today, over 3,500 unique families are served by People's Resource Center each month. That's 600 more families each month than just two years ago.

Your generosity makes a huge difference in the lives of so many children, adults and elderly people. Thank you again for supporting PRC's efforts to respond to hunger and poverty in DuPage County.

Sincerely,

Kimberley C. Perez
Executive Director
