RE: ANNUAL LANDSCAPE AWARD

Dear Jim,

Congratulations! Friendship Village is the recipient of the Village of Schaumburg's Annual Landscape Award for "Best Maintained" in a residential development. I understand your company, Grounds Pros, is responsible for the maintenance of this property.

In regards to the residential landscape award, Friendship Village was chosen from a group of three (3) nominees including Autumn Ridge Townhomes, and Briar Pointe Townhomes. We have several categories for best maintained: Multi-Family Residential, Commercial, and Retail. We also have awards for most improved in the same categories.

I had the pleasure of meeting Doug Haller of Ground Pros on several of the properties here in Schaumburg, as well as Arnoldo Diaz. I have nothing but good things to say about your company - keep up the great work!

Sincerely,

VILLAGE OF SCHAUMBURG
